

Restoring a Door County Icon

# HISTORY ON THE MOVE project

Revealing the rich heritage of the Door Peninsula through travelling exhibits, experiences and programs that provoke thought and deepen the connection of people to place.

## JOIN US

**HELP RESTORE THE BOOKMOBILE AND  
TRANSFORM IT INTO THE HISTORMOBILE.**

*Let's weave the stories of our communities together through authentic and immersive heritage exhibits and special programs that connect visitors to our rich cultural history.*

*THE EGG HARBOR HISTORICAL SOCIETY*

# HISTORY ON THE MOVE

Restoring a Door County Icon

**AN EGG HARBOR  
HISTORICAL SOCIETY**  
Special Project

## Here comes the **BOOKMOBILE**

The Egg Harbor Historical Society is embarking on an innovative approach to communicate our shared history, to connect and collaborate with our partners and expand our outreach in heritage tourism.

### **TAKING HISTORY ON THE MOVE**

We will restore and then transform an original Door County Bookmobile into a museum on wheels. This *Historymobile* will travel the roads of the peninsula once again. But this time it will be full of interactive exhibits, oral histories and special programs that will reveal the unique story of the bookmobile and uncover the rich heritage found within each community.

## **HERITAGE** as the destination

Through our History on the Move project we will deliver historical experiences to the visitor. Increasing access and opportunity for immersion in the rich heritage of Door County.

We will reveal the unique heritage found within each community. Whether it be a small moment in time or a trend within the historical tapestry of the region.

The restored Bookmobile will travel the area as a Historymobile to make tangible the artifacts and stories of our past, deliver these stories to the broadest audience of today and preserve them for the future.

The Historymobile will feature a rotation of interactive exhibits that reveal the rich natural and cultural history of the Door Peninsula.

## Creating experiences that **MOVE, TEACH AND INSPIRE**

We will put Door County history in motion with exhibits, programs, stories and more.

### **With your support we will:**

- Restore and transform the Bookmobile into the Historymobile *museum on wheels*
- Fill the shelves with a rotation of engaging exhibits, artifacts and oral histories
- Provide year-round travelling programs and events
- Curate, preserve and share the stories of our ancestors.

### **JOIN US**

Through the restoration of the Bookmobile, we will offer experiences that foster and deepen sense of place. We will reach out to those new to the riches of heritage as the destination. We will broaden participation and increase exposure in cultural history within the communities of Door County.
